

LE GRAND NOIR

MERLOT

L'OISEAU À DEUX NIDS

VINEYARD NOTES

We were among the first in our ancient region of Southern France to make this style of Merlot – or its sibling, Les Deux Aristos, Cabernet Sauvignon. Merlot is said to take its name from merle – blackbird. It is very picky about the soil – or as we might say 'nest' – nid - where it performs best.

WINEMAKING NOTES

For this delicious, plummy cherryish wine, we brought together grapes from two vineyards with very different soils and altitudes.

TASTING NOTES

A distinctive modern Merlot with the typical mulberryish and plummy quality of this variety, coupled with a bright cherry/strawberry note that adds freshness and complexity.

FOOD STYLE

Perfect with all *red and white meat dishes*, but equally delicious to drink on its own.

GRAPE VARIETY

100% Merlot

APPELLATION

IGP Pays d'OC

REGION

Languedoc-Roussillon

OAK MATURATION

Aged in French oak for 6 months

CELLARING POTENTIAL

3 years

ALCOHOL

13%

ACIDITY

3.3 g/L

PH

3.60

RESIDUAL SUGAR

4 g/L

CLIMATE

Mediterranean with oceanic influences

ALTITUDE

90-120m

EXPOSITION & SOIL

Alluvial slopes

VINE AGE

20 years

DENSITY

4000 vines per hectare

YIELD

Low - 80hl/ha

HARVEST

Mechanical
